**MUSIC AT MASS**

Domenico Zipoli studied music in Florence, Naples, Bologna and Rome. Today's organ music before and after Mass was written by him in 1716 when he was organist of the Jesuit Church in Rome. Later that year he went to Seville to become a Jesuit himself and the following year went to Paraguay as a missionary, where he continued composing. He died there at the age of 38 shortly before he was due to be ordained priest. **Martin**
